

Outside the box. Within the lines.

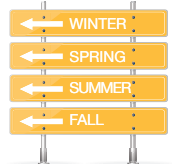

We're all yours. | A highly experienced team is selected specifically for you and your needs. We won't leave you hanging in order to file a tax return for another client.

Maximum efficiency. Minimal disruption. | We know you and you know us. Staff continuity ensures that no one has to re-invent the wheel every time there's a question or a new audit.

Dedication.

Our audit team doesn't swoop in to run the numbers and complete financial statements. We work with you throughout the year to help you understand the findings and offer solutions.

We know the ropes. | We utilize the most current guidance and resources issued by the AICPA, GASB, OMB Circular A-133, GAGAS (Yellow Book) and GFOA.

No surprises. | The fee you are quoted is the fee you are billed.

Stellar reputation. | Ranked among Pittsburgh's top accounting firms by the Pittsburgh Business Times.

Fun. In a no-nonsense kind of way. | Your challenges are uniquely your own. The fun starts when we show you smart alternatives for improving your financials, while insuring you stay within all applicable guidelines.

Responsive. | Got a question? We're here. With timely answers, solutions and reassurance.

“ Our goal is to put your audit at the center of our world. ”
