

WHEN YOU'RE LOOKING
FOR AN ACCOUNTING FIRM
YOU CAN REALLY DEPEND ON,
LOOK TO US.

INTRODUCING ACCOUNTING PROFESSIONALS WHO
UNDERSTAND THE ACCOUNTING AND FINANCIAL NEEDS
OF INDIVIDUALS AND SMALL BUSINESSES.

Now, you can profit from the same professional guidance and expertise that the big corporations depend on. We are a division of Holsinger, P.C., which means everything we do is backed by a team of experienced CPAs.

KEEP MORE OF YOUR HARD-EARNED DOLLARS

Just because you're a small business doesn't mean you can't afford the kind of professional, day-to-day guidance and counseling that the big companies rely on.

With our Controller and CFO services, we are ready to handle everything from daily cash disbursements, invoices and bank reconciliations to high-level consultations with your bank, auditor, financial advisor and legal counsel. IQ Accounting tailors these important financial management services to your needs, providing even more control of the earnings growth you desire.

Maximize profits and improve earnings. Now you can afford to take your financial capabilities to a higher level and make more informed, intelligent business decisions.

FIND OUT HOW YOUR SMALL BUSINESS CAN PROFIT FROM ALL WE KNOW.
